is pleased to present two Learning Events for their members' benefit:

Shocked to Learn Revenue Canada May Be Your Biggest Beneficiary?
Learn how to Leave a Great Legacy (Estate Planning)

When: Monday January 25, 2009 1-3pm.

Details: Learn how to minimize taxes, estate and probate fees and pass your money on to loved ones without it getting tied up for years in probate. Using real-life examples we will show you how to avoid simple mistakes that can tear a family apart, how to keep your financial affairs private and creditor-proof at death, and how to keep your assets (cottage, business, etc.) in the family!

Concerned About Retirement?
Learn how to Retire Financially Stress Free

When: Monday January 25, 2009 7-9pm.

Details: In this session you will learn how to minimize taxes now, grow your wealth faster and reduce your taxes in retirement so you can live on more, not less!

Financial Road Map Workshops, Inc. is dedicated to Changing the Financial Future of Canadians. We are passionate about educating families and business owners on financial strategies and concepts that can help them become financially successful and stress-free!
